

VINAYAKA MISSION'S ANNAPOORANA COLLEGE OF NURSING, SALEM

SWACHH BHARAT SUMMER INTERNSHIP PROGRAM – 2018

Report of Participation in Solid waste management through composting pits for Swachh Bharat Summer Internship Program:

Student volunteers participated in **solid waste management through composting pits** in Makkalur village on **21.05.2018**. The students educated the public about the necessity to make composting pits and how to segregate wastes for composting. Avoidance of usage and disposal of polythene covers also was educated. The method of vermin composting by using earth worms and white worms was stressed for more beneficiary effects to enhance agriculture.
